Camden Wildcat Quarterback Club Membership

The Camden Wildcat Quarterback Club was formed in 1971 by a group of men and women who loved Camden County Football and the Wildcats. The Club was formed to supplement and aid the program to become the best program it could be for the young men and women who would participate in the program. Through the years it has done just that. The first Club President was Fred Pilgrim and many men have served since then in this capacity. The Club has had many members who have worked very hard for this same purpose.

In 2003, the Camden County Wildcats became Georgia 5A State Champions. The continuing success of the program became evident with back-to-back State 5A Championships in 2008 and 2009.

We are proud to support Camden County Wildcat Football.
